

2026 ISSWSH Hands-on Course for Vulvovaginal Disorders

WAITLIST INFORMATION

How the Waitlist Works

If the 2026 ISSWSH Hands-on Course for Vulvovaginal Disorders reaches capacity, you may join the waitlist. Should a space become available, **all individuals on the waitlist will be notified by email at the same time** and invited to register.

Open spaces are filled on a **first-come, first-served basis by the first waitlisted individual who completes registration**. Your position or the date you joined the waitlist does not determine priority for an available space.

If you receive an availability notification and are interested in attending, we recommend registering promptly, as the space may be filled by another waitlisted individual. Placement on the waitlist does not guarantee registration.
